MANNED GUARDING SERVICES

Tower Security

Provides Expert Manned Guarding Services

Tower Security provides both armed and unarmed security guards, carefully selected through a thorough screening and verification process.

Our guards come from armed forces backgrounds and bring with them a depth of discipline and experience. Before deployment, all guards undergo comprehensive training at our dedicated Training Centers, where they are thoroughly prepared in various critical areas, including professional ethics, duty-specific SOPs and firing practices.

CLOSE PROTECTION SERVICES

Tower Security proudly offers the services of vigilant, highly skilled and professionally trained bodyguards, including expert sharp shooters. Our Close Protection Guards (CPGs) are specially trained to identify and neutralize potential threats with precision and speed. With extensive backgrounds in combat and personal defense, they bring exceptional situational awareness, superior weapon handling skills and highest physical fitness, ensuring unmatched personal security for our valued clients.

EVENT SECURITY

Tower Security offers specialized Event Security Services to ensure the safety, protection and smooth flow of all types of events; whether corporate functions, public gatherings, private parties, concerts or VIP events.

- ✓ Crowd Control & Access Management
- ✓ VIP Protection & Escort Services
- ✓ Baggage Checks & Metal Detection
- ✓ Perimeter Security & Surveillance of Area
- ✓ Emergency Response & First Aid Support
- ✓ Integrated with Local Law Enforcement Agencies

FEMALE SECURITY GUARDS

At Tower Security, we believe in equality and have introduced the concept of Female Security Guards, emphasizing that women are equally capable as men in every aspect of security. Our female security personnel undergo comprehensive training at our accredited Training Centers, where they are equipped with essential skills including: -

- ✓ Basic Security Duties
- ✓ Weapon Handling
- ✓ Medical First Aid
- ✓ Rules of Engagement
- ✓ Emergency Response Protocols

Each of our Female Security Guards are thoroughly prepared to provide high-quality, professional security services while maintaining a strong and agile presence.

PROFESSIONAL ESCORT SERVICES

Tower Security offers specialized Escort Services, designed to ensure the safe and secure movement of individuals and assets. Whether these are VIPs, executives, high-profile guests or valuable goods, our trained escort teams provide a seamless security solution, tailored to your needs. Our expertise are:-

- ✓ Highly trained in close protection and situational awareness
- ✓ Equipped with communication tools, where necessary, armed for defense
- ✓ Discreet, disciplined and professional in conduct
- ✓ Experienced in route planning, convoy coordination and threat assessment

Whether for short-term assignments or prolonged services, Tower Security's Escort Services, guarantee peace of mind with every step.

AIRPORT PROTOCOL SERVICES

Tower Security offers Airport Protocol Services to ensure a smooth, secure and hassle-free travel for VIPs, executives and dignitaries. Our trained protocol Officers manage every aspect of the airport process with efficiency and discretion.

- ✓ Meet & Greet at Arrival / Departure Gates
- ✓ Fast-Track Immigration & Check-In Assistance
- ✓ Baggage Handling & Coordination
- ✓ Secure Transportation Arrangements
- ✓ 24/7 Coordination with Airport Authorities

CLOSED-CIRCUIT MONITORING SYSTEM

Tower Security provides advanced Closed-Circuit Monitoring System (CCTV) to deliver round-the-clock surveillance and protection for your premises. Our systems are designed to deter threats, monitor activity and provide real-time security coverage in critical areas. System is featured with:-

- ✓ High-Definition Cameras (Indoor & Outdoor)
- ✓ Monitoring by Trained Surveillance Staff 24/7
- ✓ Recording & Playback Capabilities
- ✓ Motion Detection & Smart Alerts
- ✓ Remote Access via Mobile & Web Applications
- ✓ Integration with Alarm Systems & Access Control

HIRING & SCREENING STEPS

STEP

1

Initial Interview

Candidates apply through our Human Resource channels. Initial screening interview to assess communication, attitude and suitability for security duties.

STEP

2

Mandatory Required Documents

Enrollment Form, CNIC, Discharge Book, Police Verification Certificate, NADRA Verisys, Medical Fitness Certificate, Charter of Duty Acknowledgment, Passport Size Picture, 2 x Guarantors with their CNICs and acknowledgment, Form B and Thumb Impressions.

STEP

3

Physical Fitness Test

Height, Weight, Eyesight and general fitness evaluation. Endurance test to ensure physical capability for duty.

STEP

4

Psychological & Behavioural Assessment

Evaluation of temperament, discipline and stress-handling ability. Optional written or verbal testing in conflict resolution and observation skills.

STEP

5

Final Interview by Head of Security

Short-listed candidates appear for a final interview, conducted by the Head of Security. This step ensures a thorough assessment of the candidate's discipline, alertness, field knowledge and suitability for the assigned portfolio.

TRAINING & ORIENTATION

All selected security personnel undergo mandatory training and orientation before deployment. This ensures, they are fully prepared to perform their duties with professionalism, discipline and efficiency.

Emergency Response & Fire Safety

Training in handling emergencies such as fire, medical incidents or evacuations.

Observation & Reporting Skills

How to detect suspicious activity, write incident reports and communicate with supervisors.

Customer Service & Communication

Professional behaviour, conflict resolution and interaction with clients and the public.

Legal Awareness

Familiarity with basic laws, rights and responsibilities, relevant to private security operations.

Weapon Handling & Safety

Licensed guards receive practical training in firearm safety, handling and maintenance.

Company SOPs (Standard Operating Procedures)

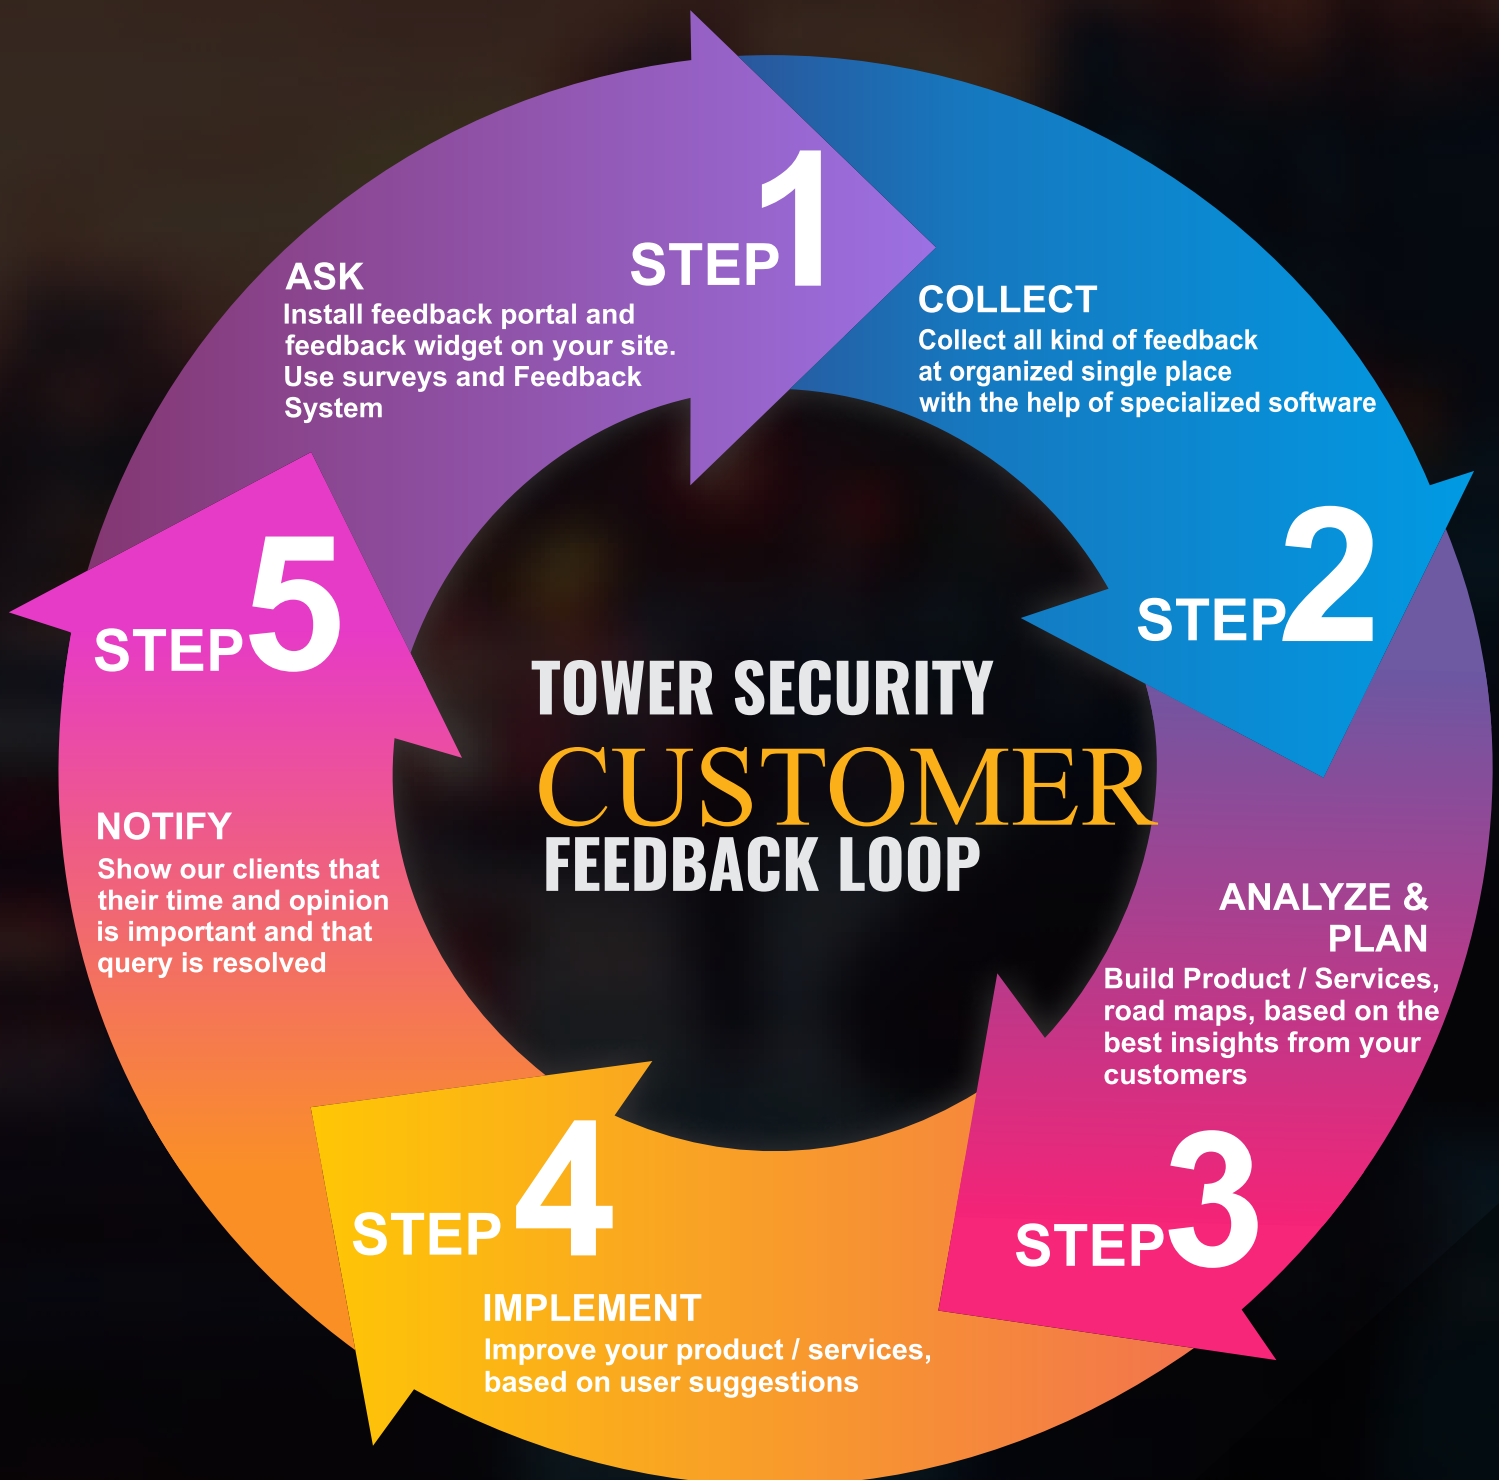

Orientation on company policies, uniform code, discipline and daily duty protocols.
